

Sponsor Incentives 2022/2023 Seasons

Dunwoody Wildcat5e Team 6705

Our Team

Wildcat5e is a student-led high school organization associated with FIRST Robotics Competition. The 20 people on our team commit 6 weeks of their Spring semester to innovating, engineering and collaborating to build a competition-worthy robot.

Our team has the ambition to attend State competition and then proceed to World competition in Houston, Texas in April, 2022. We need your help to get us to \$10,000! With this money we will reach the minimum amount of money needed to send our team to these competitions.

Levels to Your Love
